

Dolores Huerta Preparatory High

Dear Scorpion Parents and Students,

It is my privilege to serve as the Principal of Dolores Huerta Preparatory High. It is an honor to lead a school with a dedicated faculty, staff, and a amazing student body.

Having started my career in education teaching at CCA and DHPH, I truly feel like this is home; I am a Scorpion, where I am meant to be. I feel fortunate to be at a school where our students are supported in our community. Our administration, teachers, support staff, and coaches are committed to providing a high-quality education, along with extra-curricular activities that meet the interests of our students.

Here at DHPH, we believe in the potential of each and everyone of our students and strive to assists them in reaching their goals. Our students have the opportunity to be a part of our Early College Program where they are able to earned their associate's degree. We have our Pathways to Teaching Program where students can earn their paraprofessional certificate. We also have partnerships with PCC, CSU-Pueblo, and CU-Denver in which several of our students earn college credit. We are continuously striving to find new avenues that will guide our students to college and career readiness. Every detail matters! It is best said in my favorite John Wooden quote: "It's the little details that are vital. Little things make big things happen."

The future is bright for us here at DHPH. It's a great time to be a Scorpion! Thank you for being a part our school community.

With warm regards,

Ms. Kim Sanchez
